**Mission Statement:** Let us experience a change in every moment of our lives for the better and touch the lives of other people whom we meet every day

Dear Parishioners and Visitors of St. Mark and St. Paul,

Well, we got ice and snow. But the freezing air is what bothered me more than anything. I stayed in the house all day on Sunday and about a half day on Monday. Since then, I have been doing my normal routine. I have been going to the gym for my daily walk, and I went to the grocery store to get a few things.

By now, the main roads are open, but because of the cold, the back roads are not cleared. I would suspect this will be the second Sunday on which many parishioners will not be at Sunday Mass. I encourage you to use good judgment. If it is too cold and if your driveway or road has not been cleared, please stay home.

By the time you read this article for the bulletin, my unique event will be over. This Friday (January 30), I will have a wedding at the Cathedral of the Assumption in Louisville. Over the years, I have had weddings in various states but never at the Cathedral in Louisville. I did have my niece's wedding at St. Boniface in Louisville. That was nice. I am looking forward to this wedding. I have visited the Cathedral of the Assumption on many occasions over the years, but this will be the first time I've had Mass.

This Sunday is the first Sunday of the month. There will be the monthly breakfast at St. Mark. Next Sunday is the second Sunday of the month. There will be the monthly luncheon at St. Paul. Please come.

May God bless you and your family and our parish families of St. Mark and St. Paul.

Thank you.

Fr. Brad
