Dear Parishioners and Visitors of St. Mark and St. Paul,

The remodeled kitchen at St. Mark is nearing completion. It is going to work quite well for us. There are a lot of cabinets and shelving that I am sure will eventually be filled. Some new appliances have been purchased as well. Thank you to those overseeing this project.

At St. Paul we are still waiting on getting the parking lot repaved. The company has already been here to do the preliminary work. The ones doing this preliminary work told me that they are about three weeks or so ahead of the team that does the actual repaving. I am expecting a call any day to let me know when the work is going to be done.

This past week I invited myself to my mom and dad for lunch on Tuesday. When I called my mom said "sure, come on out." Well, I walked into their house and there was my mom with a hundred and twenty ears of corn that she was shucking and cutting off the cobb to make freezer corn. I knew something was a little off when I called and when I said I would stop a get something to bring to their house to eat, my mom took me up on that right away. When I walked in then I knew why she was so agreeable for me to bring lunch to their house. We ate but I did not stay long because I could tell she wanted to get back to her corn project. But I could not leave until she gave me potatoes, squash, and cucumbers, all out of her garden. Her next big project will be canning green beans.

I continue to pray for all who are traveling and on family vacations. I saw on the news this week where there is more traveling this week than at Thanksgiving and Christmas. Part of the reason is because of the early start of schools in most areas now.

May God bless you and your family and our parish families of St. Mark and St. Paul.

Thank you.

Fr. Brad
