javila@scbmil.org

## Service Experience 2023-2024

All MIDDLE school students in our CYF program are to participate in at least 20 hours total of service experience at the end of the year. How I can do this? Easy, to see who needs help and help them. Service hours should include volunteering at your parish and can include being a greeter, lector, server, recording of mass, choir, or one of the many other volunteer opportunities at the schools or parish. Mark in your paperwork and when you complete your 20hrs of service, ask your parents to sign up and submit your paper to the Faith Formation office.
