

Connecting Our Mission, Growing Our Faith

Heavenly Father,
we praise and thank You for the constant blessings
You bestow upon our parish.

Be with us during this time of renovation
for without You, we labor in vain.
We ask for more than changes to our physical buildings.
Pour out Your graces to spiritually renew us as well.

May our love for you grow deeper
and our faith be strengthened.
Give us compassionate hearts to serve others
and a strong desire to do Your will.

May St. Michael's always be our spiritual home,
where we are nourished by Your word and sacraments
so that we may go forth and bring the light of Christ to others.

We ask this in the name of Our Lord Jesus Christ, Your Son.
Amen
