6325 Cromwell Place

New Orleans, LA 70118

August 1, 2018

Dear Friend of Holy Name of Jesus:

On **November 9, 10, and 11, 2018**, Holy Name of Jesus School and Parish will host its annual fair. **Gator Fest 2018, *Gators Go Tropical***, is a wonderful event for our community with exciting rides, fun games, terrific food, and live music for the entire family!

Gator Fest celebrates its 35th anniversary this year! The longevity of this event speaks to the devotion of the current student body and their families, but even more so to the scores of people within the community – from parishioners and neighbors to alumni and faculty – Gator Fest is such a memorable event for all. We feel ever so privileged to continue this event and to support this educational institution. All funds raised contribute to the operating funds of the school.

Any monetary donation would be greatly appreciated and will help to defray the costs of hosting the event. We offer many different sponsorship levels with incentives starting at the \$50 donation level.

We also have corporate sponsorship opportunities, so please let us know of any corporation or business that might be interested. ***Please note our deadline for sponsorships including a t-shirt logo is September 15, 2018 and for all printed materials is October 15, 2018!***

Please do not hesitate to contact Rosalie Tomeny at (504) 861-9709 with any questions.

Sincerely,

Fr. Ron Boudreaux
