As we read and listen to the Gospel this weekend according to Matthew, we find ourselves at a stage where Jesus is being challenged by various leading groups from among the Jewish community. Love of God is the essence of our Christian life. Our Christian religion is based on the love of God and the love of our neighbors.

Today's question placed before him is about the greatest commandment in the Law of Moses. Already Jesus had reduced a group of Sadducees to silence, much to the delight of their rivals, the Pharisees. Now it is some Pharisees who approach him with their own question, a question much debated among the religious Jews: "Which is the greatest commandment of the Law?" As a Rabbi, extremely intelligent, influential with the crowds and known by many as someone with a mind of his own, Jesus should have his own opinion.

Jesus often answered people's questions with one of his own but in this case he gives an answer. Here he responded immediately to their question by combining two commandments into one. He told them: "You shall love the Lord your God with all your heart, and with all your soul, and with your entire mind." The heart was considered as the center of knowing and feeling, the soul, the principle of life and the source of all one's energies, and mind the center of perception. Quoting from Deuteronomy 6:5 and Leviticus 19:18, he tells them that this is the first and most important Commandment. It summarizes the first four of the Ten Commandments given to Moses. Placing God first in one's life means walking in faith and in the love of God.

The second greatest and equally important Commandment is, "You shall love your neighbor as yourself." This Commandment summarizes the last six of the Ten Commandments given to Moses. The second Commandment means that if we have the love of God within us, it should shine towards others. Love is meant to be shared, not to be selfishly kept to oneself.

St. Felix Catholic School is looking for someone to sew the 6th grade quilt from Fall Fest. Any help would be greatly appreciated.

St. Felix Catholic School is looking for someone to help make repairs to our current stable for the Christmas play along with building some shelves for our costume room.

Another great experience with Sue Schmidt. She taught us how to make dried apples and they were delicious!

The Fall Marathon has started! About this fundraiser: We are a school where student learning thrives and children feel good about the place they call their school. We believe that this is because of the incredible students that attend our school, the awesome staff who believe that relationships with students are key to optimal learning, and more importantly, the incredible support of our families. We could not engage in the wonderful learning opportunities and the fun things we do here without your monetary support. Please know that no amount is too small. Your ongoing backing and support are both truly appreciated. Your donations will help offset tuition and School Improvements.

St Felix and St Agnes parishes are forming Couple's Groups with the intent to enrich marriages and family life, grow in our Catholic faith, and enjoy fellowship. **Informational meeting** with sign up and kick off will be Friday, **November 10th at 6:30 PM** in the St. Felix Gym. There will be a shared meal and then sharing about the groups. Parents may bring their children if they wish. A Couple's Group would consist of five to seven couples. Groups would meet at homes once a month for social time, a shared meal, and a short video on faith. The tentative meeting would be from 6:30 to 8:30 pm on a weekend evening, which would be decided by each group. Groups would be formed with age/ life similarities and have an assigned group leader. To sign up, call the Parish Office (651) 565-3931 or St. Felix School Office (651) 565-4446 with your names. Feel free to contact any of the members of the planning committee with questions. Encourage friends and family to join.
