The Gospel of today presents Jesus as the light of the world. We have today the marvelous story about the cure of a man born blind. The story of the man born blind is clearly one of the real masterpieces of Johannine storytelling. The inner dynamic of the story shows the blind man in the process of coming to sight and faith in the son of man, while at the same time the Jewish leaders move towards blindness.

John narrates that as Jesus and His disciples were walking along, they encountered the blind man. The disciples ask Jesus the reason for his blindness: whether it is his own sins or the sins of his parents. During the time of Jesus, the popular belief was that there was a close link between sins and a chronic sickness or disability and that the sins of the parents could have their effects on their children. We remember when the paralyzed man was let down through the roof at the feet of Jesus seeking to be healed of his disability, surprisingly, Jesus' first words to him were, "Your sins are forgiven." Here Jesus clarifies the meaning of suffering in the life of a person. The blindness of the person has nothing to do with his sins or those of his parents. He is blind so that God's power might be seen at work in him.

Today, as we enter the fourth Sunday of Lent we are called upon to renew ourselves and experience the loving invitation of our Lord. We are children of the light baptized into the glory that is Christ. We are initiated into the life of Christ who is the light of the world. Once we are baptized in Christ we become his new creation, the members of God's own family.

Young Adult Mass for ages 18 - 25 with Bishop Robert Barron on Sunday, March 19, 2023 at 2:30pm at St. Francis of Assisi Parish, Rochester, MN.

Refreshments with Bishop Barron to follow.

Greetings parishioners of St. Felix and St. Agnes Parishes,

My name is Susie Baab. I have been teaching St. Felix Pre-Kindergarten class for many years and one of my favorite things to teach my students throughout the year is the gift of generosity.

I feel fortunate that we live in an area where I can inspire a sense of community and generosity at such a young age.

Last year there was money found by the children in the bushes. We kept it in the office for a few weeks to see if anyone would claim it. When nobody did, we had a deep teaching moment. We talked about the many ways that we could spend the money. The two top discussions were a new toy for the classroom or shopping for cereal for children our age who maybe didn't get breakfast that morning. They didn't hesitate with their cheers of a shopping day.

That afternoon I reached out to Dick's grocery store and scheduled a field trip to the cereal aisle the next day. The empathy and joy on the faces of these kids while picking out cereal were nothing short of amazing. It didn't stop there. A couple of phone calls later and we were able to take another field trip to the food shelf. The kids proudly delivered their wagons full of breakfast meals.

I would like to continue teaching this valuable life lesson of helping others, but I need your help. Since we have not found money in the bushes this year, I'm seeking donations.

We are very fortunate to be living in a church community dedicated to our students here at St. Felix School, and it's amazing to see what a difference just a box of cereal can do.

Mrs. Baab
