As we celebrate the feast of the Sacred Heart of Jesus (June 16, 2023), a devotion which is essentially worship and a response to the Person of Christ. The Christian faith is a response to Christ as a living, loving person, not just embracing a set of principles. Devotion to the Sacred Heart of Jesus is not a peripheral devotion, but it is to honor and love God which is the heart of our faith and is centered on the heart of Jesus as the emblem of Divine love.

The most significant source for the devotion to the Sacred Heart is from the revelation to Saint Margaret Mary Alacoque (1647-1690), who claimed to have received visions of Jesus Christ. The revelations were numerous, and the church has accepted these to be real and deeply spiritual.

Christ, in his appearances to Margaret Mary, has promised many blessings to those who practice devotion to his Sacred Heart. Accordingly, Jesus promises all the graces necessary for their state of life; peace in their families; consolation in all their troubles; their refuge in life and especially in death; abundantly bless all their undertakings; he will be infinite ocean of mercy. He promised to bless those places wherein the image of the Sacred Heart will be exposed and venerated and will give to priests the power to touch the most hardened hearts. Finally, the promise that his all-powerful love will grant to all those who will receive Communion on the First Fridays, for nine consecutive months, the grace of final repentance: they will not die without receiving the sacraments; and the Sacred Heart will be their secure refuge in that last hour. But all of this we can say in summary that we are of the religion of love, the religion of the Sacred Heart of Jesus. In this month of June 2023, let's entrust all our parish families to the care of Sacred Heart of Jesus.
