

**The Holy Father's Intentions for the Month of April,  
2020**

**Freedom from Addiction**

We pray that those suffering from addiction may be helped and accompanied.

Dear all,

Wow, have our lives changed since we last saw each other. Online learning. Social distancing. The news each day seems bleak to some. No Eucharist. No public liturgies. However, we have to keep looking forward and finding God in all of this craziness. We are spending more time together with our families. We have the opportunity to grow our relationship with God, through prayer and devotions. When we can come back together, we will realize just how much we take for granted. We will celebrate getting through these difficult times by praising God. Please know of my prayers for each of you and your families. We will get through this. We have our hope in God, who loves us. We are DR STRONG!!
