

The Holy Father's Intentions for the Month of September, 2020

Respect for the Planet's Resources

We pray that the planet's resources will not be plundered, but shared in a just and respectful manner.

2020-21 Parish School of Religion

Parents,

With all that has gone on since March, 2020, and not knowing what this year will bring with the CoVid virus, here are the options for this upcoming year. While many parishes will only be offering online or home study options, we will try to offer both home study and in person.

- In person would meet twice a month, on the 2nd and 4th Sunday of the month, beginning in September and ending in May, at 9:30-10:45am, as long as in person school continues to be in session. The catechists will have a lesson to hand out for the 1st, 3rd and 5th (when applicable) Sundays that would be done at home with a review of that lesson at the next session.

- Home study options will be the same curriculum as used in the classroom, taught at home by the parent with support from the parish.
- Attendance will be strictly kept, in case the need arises to notify families of a positive case of CoVid. Parents will have to walk their child into the building and sign them in, noting that they do not exhibit any symptoms of CoVid. No one with recent symptoms will be allowed to stay that day. If someone should start having symptoms, parents will be called immediately.
- Masks that cover the nose and mouth will be required for everyone in the building – catechists, young people and parents. While this may be difficult with younger students, it will be encouraged.
- Hand sanitizer will be required as anyone enters the building.
- Social distancing will be adhered to as much as possible.

Registration information is attached and can be dropped off at the parish office. Please register ahead of time in order to have materials on hand for the first day of PSR - September 13th. If you need a hard copy of the registration packet, please reply to this email and one will be mailed.

Please note, while it is the goal to have in person classes available, several students must be registered for each class in order to have class. Determination of this will be made before September 13th.

If you have any questions or concerns, please feel free to call (719-234-0342) or email (kbull@divineredeemer.net) me.
