

ST. ELIZABETH ANN SETON CHURCH

Where life-long friendships begin & grow

Greetings SEAS Parishioners:

You might have heard already...Harvest Home 2021 is a GO! We are working hard to bring back all the fun on Sept. 10 and 11. For our new families, this is our church's beloved annual fall festival and our largest fundraiser. **To make Harvest Home a success, we need your HELP! We will need every family to volunteer, donate/sponsor and pray for the success of our festival.**

Please see the attached flyer on sponsorship levels and the attached silent auction donations form. Also, if you would like to make a monetary donation to be used for the expenses of Harvest Home, please mail a check to the church office made payable to SEAS Harvest Home or simply transfer funds using Venmo or CashApp (see attached flyer for details).

We all love to spend time enjoying the festival. However, this year, Harvest Home will not happen if we don't first commit to staffing the volunteer slots. If every family volunteered just a few hours, we would have all the volunteer positions filled easily to make this the best Harvest Home ever! As far as needed volunteers, there are plenty of opportunities during the event itself, and, if you like planning and behind-the-scenes work, there are several committee chair and co-chair positions available. It is important to have a co-chair working with each chairperson to help lighten his/her workload so he/she can also enjoy the Harvest Home Festival which he/she works so hard to facilitate. Volunteering at Harvest Home is a great way to meet folks you see at Mass in a social setting. It is a wonderful way to build our community and an excellent way to get our kids involved in service projects. Remember, the proceeds from Harvest Home are allocated to SEAS facilities and dedicated to community outreach and support. Please call/text Linda Glendenning at 417-496-2784 to get involved and watch for the upcoming volunteer sign-up programs/days!

Looking for more ways to get involved? Donations and volunteers are also needed for the upcoming SEAS' Garage Sale on June 11 & 12 (see attached flier) and SEAS' Golf Tournament on July 17 (to sign up or get more information, please contact Jim Bach, ninerjim@hotmail.com). On behalf of the Harvest Home Committee and St. Elizabeth Ann Seton Church, **we genuinely appreciate any support you can provide to make this family-oriented, fellowship event successful.** If you are willing to volunteer, sponsor, donate, and/or have any questions, please contact Linda Glendenning by call/text at 417-496-2784 or email, seasharvesthome@gmail.com.

God Bless,

Miguel Infocovich

2021 Harvest Home Chairperson
