

April is Child Abuse Awareness Month.

It's not something to celebrate. It's something to end. You can help by volunteering in the Guardian ad Litem Program. *(In some states this program is known as CASA for Children.)*

By dedicating yourself to 8 – 10 hours a month, of volunteer time, you can help an abused or neglected child. You do not need experience in this field.

You need only be a full-time resident of our community, have working knowledge of the computer and compassion for children in need. Volunteers are needed in Collier County. Child abuse cases are increasing, and these children need someone who cares to come forward and speak up for them. You will have the support of a Supervisor, Attorney and mentor. Training is provided free of charge. If you are interested, contact

Donna Kordek at dckordek@comcast.net .

It takes one person to make a difference in one child's life, could you be that one person?
