Saint William Catholic Church
750 Seagate Drive
Naples, FL 34103

To the parishioners and supporters of our 22nd UNDY SUNDAY Campaign, we are very pleased to report that we again succeeded in meeting our goals of providing an ample supply of underwear, socks and miscellaneous clothing & school supplies for the many needy elementary and pre-school children within Collier County.

With the outreach involving 33 religious interfaith churches and synagogues, Catholic Charities' volunteers received an abundance of undergarments and socks from the church donations, which were segregated, sorted, labeled and packaged for delivery to 37 selected Elementary & Charter schools, plus six Social Service organizations who assist needy women and children in our community. This year 210 packages, each containing approximately 90 pairs of undergarments and socks, were distributed.

In addition, the campaign was blessed with receiving an overwhelming number of socks again this year, allowing us to donate more than a thousand pairs to the "Laces of Love" Foundation to supplement their "Shoes for Needy Kids Program".

All monetary donations received will be used to support other children activities & programs at Catholic Charities of Collier County, throughout the year.

We sincerely thank your staff and, more importantly, the parishioners for their generous support and monetary contributions in this our 22nd Anniversary of Undy Sunday. Without all of our efforts, these special needs for poor and homeless children may not have been met. Be assured that the children, parents and teachers alike join us in thanking you for your generosity and support.

God Bless everyone involved in this special mission.
