### **Art**

**taught by Mrs. Carolyn Kirchner**

Ecclesiastes 3:1 "To every thing there is a season, and a time to every purpose under heaven."

Ecclesiastes 3:11 "He hath made everything beautiful in his time."

This art class will examine many different art forms during the year with the students being shown a picture of an ancient biblical form of art from which the day's class will be based upon using several different types of art mediums throughout the year. A special holiday project for Christmas and Easter will be included.

**Supply Fee:** \$40.00

### **Apologetics**

**taught by Mrs. Cara Strasser**

"Always be ready to give an explanation to anyone who asks you for a reason for your hope," I Peter 3:15

We will be exploring some of those reasons, finding ways to articulate them, and learning to defend our faith through personal interaction in our Apologetics class. Reading and short essay questions will be assigned as homework.

**Supplies:**

Composition notebook

Small student text TBD

### **History**

**taught by Mrs. Jenny Townsend**

A historical survey of the intersection of European and Church History during the Middle Ages (circa 400-1400) using The Story of Civilization, Volume II, by Phillip Campbell. Students will read the assigned chapter(s) in order to foster a classroom dialogue about the events and people of this historical time period. They will also construct a timeline placing events and people into their historic contexts. Classroom activities will include a deeper examination of Medieval culture. One essay will be assigned each semester for work outside of class to analyze a person or event of the student's choosing.
