

## Indian River Senior Center 2024 Golf Application

Full Name \_\_\_\_\_ DOB \_\_\_\_\_

The IRSC Golf League is a popular program that is available to our members. The league has over 850 members involved and is divided into five divisions; two competitive and three non-competitive with each division having between 165 and 170 players. Four divisions play once a week on Monday and one division plays once a week on Tuesday – Friday. Our season starts in March and ends in November, giving golfers between 34 and 37 weeks to play discounted golf at various courses in Delaware and Maryland.

In addition to different divisions, we offer three types of player positions.

- Full-Time Player – Golfers assigned to a team of four players and committed to playing a minimum of 15 times per season.
- Designated Substitute – Golfers assigned as a permanent substitute for a team of full-time players and committed to playing a minimum of 8 times per season.
- Regular Substitute – Golfers only wanting to play on a part-time basis and committed to playing 8 times per season but are not affiliated with a team.

Once our divisions are at maximum capacity, we use a waiting list and players on the list are contacted when an opening occurs.

Due to the popularity of this program, we must limit each member to one division. If members play in more than one division, not everyone will be able to participate. To help us get you into the right division, please check your interest below.

I'd like to play in a division that plays weekly on ☐ Monday only ☐ Tuesday – Friday

I'd like to play as a ☐ Full Time Player ☐ Designated Substitute ☐ Regular Substitute

I'm interested in a ☐ Competitive Division ☐ Non-competitive Division

I'd like to play in the same division as (full name) \_\_\_\_\_ *optional*

Your signature indicates that you agree to play in only one division and that you received a copy of the IRSC Golf By-Laws.
