

All students may be out of uniform if they wear school colors or spirit wear tomorrow.

Pep Bus. We are offering to organize a Pep Bus to take students in grades 5-8 to Mt. Mary University on Saturday, March 3rd, to watch the 8th grade boys play in the Padre Serra (a second Pep Bus will be offered for the girls' game). We will only provide the bus if we are able to get one or two parent volunteers to chaperone the students before, during and after the game—this includes riding the bus. We will need to know tomorrow (February 23rd) if there is a parent or two willing to chaperone (safeguarding is required as always). Please contact the school office if you are willing. If we do not get a chaperone we will not be able to send a Pep Bus.

Tomorrow morning school activity photos will be taken for the yearbook. Parent helpers are needed. Students may bring their team uniforms, club shirts, scouting uniforms, etc. to change into for the photos.

There will be a Pep Assembly in the afternoon tomorrow celebrating our students as well as honoring our 8th grade boys and girls basketball teams whom both have been invited to play in the Padre Serra Tournament.

Our scholastic Challenge Team has made it to the final round. They will be competing tonight at 7:30 pm. Good luck Royals!
**** And a special shout out to Mrs. Lovejoy for advising the team this year... Thank You!**

A new Schwan's campaign has started. The new campaign ID # is 36917. The school will receive 20% back on all grocery purchases and 40% on all e-Gift card purchases for the next 45 days. The e-Gift cards are sent immediately for use right away. After the 45 days period is up, the school earns 5% back on purchases for the next 90 days. Families should make sure to switch to the new campaign number to ensure that the school gets credit for purchases and for students to receive the monthly OOU day.

Parking Lot Reminder
It is imperative that adults dropping off/picking children up from school drive cautiously and follow the parking lot rules. Remember (and remind others who may be picking your children up after school) that at no time should anyone back up in the lot or park in the cross walk. Children should not be dropped off on the half circle or up near the building. Drivers should wait until the majority of the children have gotten into their cars before pulling out and should still be very aware that there may be little ones walking in front of or next to the vehicle.
Thanks for helping to keep our kiddos safe!

We will be submitting Box Tops for Education on March 1st, please send any you have to school before then.
Thank you!
