WHO SHOULD ATTEND?

- Nurses of all faiths who want to serve the members of their faith community.
- Registered Nurses interested in holistic healthcare.
- Faculty introducing Faith Community Nursing as part of their nursing curriculum.
- Practicing Faith Community Nurses who have not previously attended a Foundations of Faith Community Nursing Course or Basic Preparation Course.

COURSE CONTENT

The Foundations Course for Faith Community Nurses includes, but is not limited to the following subject matter:

- History & Philosophy of Faith Community Nursing
- Role & Functions of the Faith Community Nurse
- Faith Community & Family as Client
- Community Assessment
- Legal Considerations
- Working with Faith Communities
- Worship Leadership
- Ethics in Faith Community Nursing
- Functioning with a Ministerial Team
- The Role of the Church in Health
- Self-Care for the Faith Community Nurse
- Reference Materials for Faith Community Nursing
- Accessing Faith Community Nursing Resources
- Spiritual Care
- Behavioral Health

This Foundations of Faith Community Nursing course is based on curriculum developed through the Westberg Institute for Faith Community Nursing, which curriculum is owned by Church Health Center of Memphis, Inc., 1350 Concourse, Ave., Suite 142, Memphis, TN 38104

OBJECTIVES

The course is designed to prepare RN's to deliver holistic, non-invasive health care in the faith community setting according to the Faith Community Nursing Scope and Standards of Practice from the American Nurses Association.

Goals

- Gain theoretical and practical knowledge essential to the understanding and development of an effective Faith Community Nurse practice.
- Provide an opportunity for the beginning Faith Community nurse to join a network of Faith Community nurses for continuing professional development.
- Examine the role as an integrator of faith and health and nurture their own personal and spiritual development.

WHAT IS A FAITH COMMUNITY NURSE?

A Faith Community Nurse is a registered nurse who serves within a faith community. In keeping spirituality central to the practice, a Faith Community Nurse empowers individuals and groups with tools that promote integration of the mind, body and spirit.
