

## **St. Boniface Scrip Fundraising Program**

**Raise money for St. Boniface School & Parish, save on tuition, or get cash back!**

### **What is Scrip?**

When Scrip is purchased, you are purchasing gift cards or downloadable ecards that are the same cards you would purchase directly from the retailers, but these come with a fundraising component without spending any additional money. With every purchase, a predetermined rebate gets returned to St. Boniface, typically between 2% to 15%, of which you and St. Boniface share this rebate as a fundraiser.

### **What businesses partner with Scrip to accept St. Boniface Scrip?**

There are over 750 top brands and restaurants that offer Scrip gift card, such as Amazon, Target, Home Depot, Starbucks, Culvers, Wayfair, Woodman's, McDonalds, Kohls, Walmart. There are even gift cards for gas, flowers, movies, auto repairs, and many other things you probably already purchase that you aren't getting a rebate for. We also carry gift cards for local businesses such as Bilda's Friess Lake Pub, and Brisco County Wood Grill.

### **Why is Scrip an effective fundraiser?**

The reason Scrip gift fundraising is so successful is simple. Families produce revenue by making purchases they would make anyway. As an example, an organization of 150 families easily spends between one and two million dollars per year on food, clothing and other essentials. If these families use Scrip for these purchases, they can raise as much as \$40,000 to \$80,000 per year for their organization – without spending an additional penny.

Friends and family can also purchase their own Scrip gift cards and apply the rebate to your tuition. This is a great way for grandparents to support a grandchild. To ensure credit is properly given to you, they must complete the Scrip Purchase Agreement as referenced in #3 below.

### **How do I get my Scrip gift cards?**

1. The easiest way is to select the download option from the app or website. This makes a great gift option.
2. For a small fee certain gift cards can be shipped directly to you when ordered from the app or website.
3. You can coordinate with St. Boniface to pick them up from the Scrip Coordinator, Parish, or School.
4. After a release notice is completed, the Scrip can be sent home with your day school child.

### **How do I get the rebate?**

Scrip returns the rebate percentage to St. Boniface, and on a quarterly basis St. Boniface applies a percentage of the rebate back to you. You decide if you want it applied to reduce tuition for you or someone else, a donation from you to St. Boniface, or cash back to you. The remaining percentage is revenue for St. Boniface Parish & School.

You can change your rebate options at any time by filling out a new Scrip Purchase Agreement form. If we do not have a Scrip Purchasing Agreement on file, your rebate will be applied to the Parish. Once the rebates are posted for that quarter, they will not be changed.

### **When do I get my rebate?**

Rebate credits are processed on a quarterly basis to help offset day school and faith formation tuition for the current school year. If tuition is paid in full, we will roll the rebate over to the next year.

### **For the 2020-2021 school year Scrip rebates earned will be applied:**
