

Home & School is excited to launch a Mentor Program at St. Anne's for the 2018-2019 school year!!!

Remember what it feels like to be new? You may have questions, be unsure of requirements, and just need to see a friendly face to feel welcomed.

At St. Anne's, welcoming new families is a priority to us. Home & School would like to introduce a pilot mentorship program for the upcoming school year. To make the transition easier for new families, we would like to connect them with a family who has shown interest in mentoring.

Mentor families play an important role by sharing their knowledge and by making new parents and their children feel welcome. Mentors will be asked to connect with new families and answer any questions new families may have.

If you are a new family with questions, a returning family who would like to be connected to a mentor family, or a family who is interested in wanting to help others through mentoring, please contact Ann Austreng (austrenga@hotmail.com) or Chanelle Kurtz (chanellekurtz@gmail.com).
