WEATHER MAKE UP DAY FRIDAY MAY 10 –

Due to the storm and school cancellation this week, St. Anne Catholic School *will be in session Friday, May 10*, a previously scheduled no school/teacher in-service day. This contingency plan was announced in the March 1, 2019 *Principal Page*. As this is a scheduled no school day for Somerset Public Schools, busing will not be available. Unless Somerset Public School district adjusts it's calendar to a school day, parents are asked to please arrange transportation to and from school May 10.

New Fiberoptic Cable Project Completed – This past week Northwest Comm and Tim Whiteside of SunnyLink Systems completed the installation of fiberoptic cable. This should greatly enhance our school's internet service and speed. Costs for this project and the monthly fees will be paid from our Technology Fund.

Registration 2019-20 – Please know that we have been receiving inquiries from new families about touring the school and registering. Registrations and re-registrations will be processed as they are received, and a waiting list will be started if a grade level is full. Several grade levels only have a few openings as of April 11-- 5 in 4K, 3 in Kindergarten, and 2 in 2nd grade.

Tuition Assistance Application Deadline April 30, 2019 - Deadline for submitting completed applications is April 30, 2019. Contact Principal Stanke or Deacon Dick Peterson for forms.

MAPS Spring Testing to Begin – National testing for students in grades 2-8 begins Monday, April 15 and continues as scheduled until May 10th. Attendance during testing periods is emphasized as it is difficult to schedule make-up tests. Hopefully all students will be in good health, well-rested, brain ready, and will show what they know on these national standardized assessments!
