

St. Anne Catholic School Parents & Community—

The following is a chart of the mean scores for the national test our school is required to participate in (NWEA/MAPS). Three core subject areas were assessed this spring (2017) for grades 2 through 8—Math, Reading, and Language Usage. The bolded scores are the scores for our school, followed by the scores of the 15 schools in our Diocese of Superior. The national mean scores are in the 3<sup>rd</sup> column for each subject area.

We are certainly proud of our students and teachers.

Mr. Stanke, Principal  
St. Anne Catholic School
