

First Reconciliation Preparation Schedule for Fall 2020

The program has two essential elements that families will participate in, in order for your child to be prepared to celebrate the Sacraments. During this time of COVID where we aren't able to be together in large groups, the process has been adapted to meet the current conditions. *(If we are able to gather again, as before, our First Eucharist Process will return to our previous design with monthly "gathered" meetings offered at the parish. When we are able to make that move, more detailed information will be provided.)*

A Parent Orientation link will be emailed to you on Sunday, September 13 with opportunity for questions and answers.
