Dear Sisters and Brothers of MQP in Christ,

I, on behalf of the Partnership Committee and your Christian brothers and sisters in OLA, send you our warmest greetings.

We have received your big and generous contribution of \$13,381.45 towards the construction of our Catechist home and wish to convey to you the deep, deep gratitude from Parishioners in OLA for such a magnanimous gesture of love and benevolence. With the commencement of the dry season in Northern Ghana, a time particularly suitable for construction work, the OLA development committee will complete the molding of the blocks and begin the construction of the home soon.

Thanks very kindly also for the various gifts, especially rosaries and solar lamps that Barb brought. The latter is so useful as hydro power supply in Ghana becomes more erratic due to a short rainy season in Northern Ghana this year. Please send our sincere appreciation to the rosary ministry, and the generous donors of the solar lamps, soccer balls (footballs), and the various items. We pray that God will reward your generosity abundantly.

I have now got the complete building plan from the OLA development committee and intend to mail this to you via DHL.

With every best wish, may God grant us special blessings in the Month of the Holy Rosary.

Joseph
