

Respect Sort

A lesson to reinforce
the difference between
being respectful and
disrespectful at school.

Respectful

Disrespectful

**I listen quietly when
others are talking.**

**I say “please” and
“thank you”.**

**I take turns playing
with the jump rope.**

**I follow the
directions I'm given.**

**I do not talk when
others are talking.**

**I keep my hands and
feet to myself.**

**I ignore others when
they talk to me.**

**I cut in front of
others in line.**

**I don't share the
crayons and markers.**

**I talk while others
are talking.**

**I don't listen to or
follow directions.**

**I push people to get
what I want.**
