

Holy Spirit Nursery 2020-2021 Parent Policies

Mission Statement

We welcome the children of our community into a safe, positive, inviting, and enriching environment while encouraging each child to encounter Jesus, the Good Shepherd, in our Montessori inspired nursery.

Hours of Operation:

Parents and guardians may leave a child in the nursery ONLY to attend Mass or an event at Holy Spirit Parish. You must remain on campus at one of the listed events while your child is in the nursery:

- **Sunday morning 7:45am-12:15pm** (for 8am Mass, 9:15am-10:45am Children and Adult Faith Formation or RCIA, and 11am Mass)
- **Wednesday morning 9:00am- 11:00am** (for Mothers' Prayer and Study Group)
- **Wednesday evening 6pm-8:30pm** (for Confession, Mass, and Adult Bible Study)
- **The First Friday of the month 5:15pm-7:45pm** (for First Friday Family Adoration)
- Other occasional events as advertised in the bulletin or requested by organizations.

Ages for the Nursery:

We accept children in the nursery from age 12 months through 4 years old. Due to limited space and proper materials, we must be strict with this policy.

- Once they turn 12 months old, they are welcome to start attending the nursery.
- As soon as your child has turned five years old, they've aged out.

Sign-In Procedures:

The nursery has a sign-in station inside the room. For the safety of the children, please shut the nursery room door after you enter. Parents are welcome to stay a couple minutes to acquaint their child with the room, meet the caregivers, and sign them in. Parents are asked to be considerate and limit the length of goodbyes and traffic in the room to a few minutes at most.

At the sign-in station parents are asked to do the following:

- Sign a child in on the sign in clipboard. Complete ALL sections. Use one line per child.
- Label diaper bag and give to a staff member or place on shelf. There are labels available on the bag shelf.
- Communicate with staff member which event you'll be attending. For example: Mass only or Mass & Bible Study.
- Set phone on vibrate so the nursery staff member can contact you if necessary.

Parent/Guardian Contact:

Please make sure that the phone you list on the sign-in sheet is the phone you have with you. Please keep your phone on "vibrate" while your child is in the nursery in the event you are needed. If you are needed to return to the nursery, a nursery caregiver will send a text message simply stating, "YOU ARE NEEDED IN THE NURSERY." If you receive that text, please come to the nursery immediately.

Pick-Up Procedures:

At pick-up, please do the following:

- Sign the child out of the nursery. Please also include the time.

- Gather their belongings.
- Ask any quick questions (if they had snack, diaper changes, etc.).
- **Please make sure that you always shut the nursery door behind you when entering or exiting.**

Pick-Up Authorization:

Only parents/guardians, or individuals over the age of 12 that are listed on the registration form are allowed to sign children in and out of the nursery. If at any time you need to add additional individuals to the list, please provide the Nursery Supervisor with that information. Older siblings are allowed to pick up their younger siblings from the nursery, but they must be at least 12 years old.

Food/Drink Inside the Nursery:

A snack and drink are provided during each nursery stay. No outside food or drinks are permitted.

- Nursery caregivers will provide a snack that will be completely nut free. If there are any allergies or diet concerns, please notify the staff during sign-in. **No outside food is allowed in the nursery.**
- The nursery will provide a cup of water for children. Sippy-cups are also available for children to use.

Required Diaper Bag Contents:

The following is a list of items you will need to bring for your child (*make sure all items are labeled*):

Nursery COVID POLICIES

As of February 1, 2021

- Parents will sign-in/out right inside the nursery door at the counter. A cup for used pens will be provided. Due to the need to social distance inside the nursery and the small space, parents are asked that only ONE person from the family enters to drop-off or pick-up children. Please do not linger or stay long.
- Temperatures will be taken upon entering the nursery. These will be taken by a Nursery Caregiver at the door. Temperatures must not exceed 99.9.
- Caregivers will ask parents screening questions regarding the child entering the nursery using the Nursery Covid Screening Questionnaire.
- Caregivers will make a visual inspection of the child for signs of illness which could include flushed cheeks, rapid breathing or difficulty breathing (without recent physical activity), fatigue, extreme fussiness, coughing, or runny nose.
- Masks will be worn by nursery caregivers and volunteers at all times. *Masks are not required to be worn by children age 5 and under.*
- Alternate ratios will be upheld during the pandemic. The ratio will be 3 children for every (1) caregiver. A total of 9 children (with 3 caregivers) is our max capacity.
- Handwashing and hand sanitizing will continue as per our regular nursery policies and happen frequently by Nursery Caregivers, volunteers, and children in care.
- Toys will be placed in a sanitizing bin after a child has used it. These toys will be sanitized between use.
- As always, we will clean and disinfect between each shift and as needed during each shift. Extra precautions will be taken for Covid measures.
