Calendar Changes

Because of the snow days we had in January, we will be adding days to our calendar. May 10 will be a half-day and June 7 will also be a half-day. Previously these were Professional Development days.

Next Year???

Yes, believe it or not, it's almost time to start registration for the 2024-2025 school year! School Choice opens tomorrow on February 1. This window closes on February 20, 2024. Parents, please keep a copy of your January WE bill, cable bill, or a pay stub dated in January. You will need to log in to your DPI account in and register and then send us your proof of address – using one of the documents listed above. Let's try to have all returning students re-registered in February.

Picture Day

February 7, graduation pictures for the 8th grade will be taken at school. Any new students or those who want re-takes should also be prepared for their pictures to be taken this day.

ECP

Parents, just a reminder that any hours not covered through the Wisconsin Shares Program will leave you with a balance. Those of you with outstanding balances, will receive a letter soon. These will have to be paid off or you will need to commit in writing to a payment plan as your care will be suspended in February. Funds for ECP go to pay qualified employees, cleaning services, providing nutritious snacks, and enrichment activities. Please contact Mrs. Johnston if you have questions or concerns.

Birthday Club

Celebrate your child's birthday the MGC way! For \$20.00 you get all that is in the picture and their name on the sign outside the school. The link has been updated.

COVID/FLU/RSV Season

As we move forward into the winter season, we also prepare for upticks in COVID and Flu. Multiple news sources have reported that lung infections and RSV are quickly on the rise causing children to be quite ill. As we strive to remain safe and healthy, here a few important MGC protocols and policies to review:

- Students who are sent home sick with vomiting or fever are not to return to school for 24 hours and symptoms have subsided
- If your child has been exposed to COVID, we ask that you test as soon as possible.
 - A. If your child has been exposed, but tests negative for COVID, we asked that they mask for 5 days
 - B. If your child has tested positive for COVID, please report to the school. The student is to be out of school for 5 days. Student may return after 5 days if symptom free, and is required to wear a mask for 5 days

Your compliance and cooperation is greatly appreciated. It takes all of our efforts to mitigate these viruses that can seriously affect student and staff attendance compelling us to deliver instruction virtually. We can all agree that being physically in school, learning and being part of the community is our collective goal and responsibility. You are encouraged to keep up with COVID and FLU vaccines/boosters, and to use testing as a resource when you have knowingly been exposed to COVID or are experiencing symptoms. Let's pray for a calm season.

It's Cold Outside – and it will get even colder!

Please remember that we do take the children outside for recess during winter. If the temperature/wind chill is at or above zero, we go outside. It is important that every MGC student come to school every day prepared for recess. This includes a winter coat, hat, mittens/gloves, scarves, snowpants, and boots. Children who do not have snow pants and boots are not allowed to play in the snow. Please do not put your child in that situation!

Weather Regulations

When there is a question of whether the school will be opening for the day because of extreme weather conditions, Archdiocesan regulations require that the school follow the Milwaukee Public School system. **The decision not to open is usually made before 6:00 AM on the day in question and is announced on local radio and TV stations. If the announcement is made that MPS schools are closed due to inclement weather, MGC will also be**

closed.

Whenever the school is closed due to inclement weather, ECP and the parish offices are also closed. However, if MPS is not in session, or for some reason fails to close, an independent decision will be made for MGC. This decision will be made by Mrs. Johnston and Fr. Reed. The announcement will be made on local television and radio stations. Additionally, if MGC closes independently of MPS, an e-mail and text will be sent and local TV/radio stations will be informed.

MGC will not close early due to inclement weather. However, parents are welcome to come to school and pick up their children if they deem that to be in their family's best interest.

If MPS closes early or fails to open due to staffing concerns, that will not affect MGC.

The hot lunch menu is posted there so you don't have to worry about losing yours. Current and past editions of KidMail are also posted there.
