Dear Father Marquard,

Paragraph #1: It would be good to introduce yourself and explain to Father Marquard your reasons for wanting to receive the Sacrament of Confirmation.

Paragraph #2: At some point in your letter you will want to share the Saint Name you have chosen as your Confirmation Name. It would be good to explain why you chose that name.

Paragraph #3: You will also want to discuss your personal discernment process. This might include explaining how you have thought and prayed about this decision. You can discuss the different experiences formation experiences that have led you to this point, such as Confirmation session, mission points, service opportunities, etc. It would also be good to share a little about the experience of your retreat.

Paragraph #4: You might want to summarize and reiterate your desire to be confirmed, because at the end of the day, that desire and openness to the Holy Spirit is what matters most. Please make sure that your letter is typed and formatted according to this template (Times New Roman, Size 12 font). Feel free to write as much as you would like, but at least four paragraphs are encouraged. It would be good to thank Father Marquard for his consideration and to let him know that you are praying for him (then actually do say a prayer for him!).

Sincerely,
