**FOR THOSE INTERESTED IN EXPLORING THE CATHOLIC FAITH (RCIA)**, St. John's Christian Initiation for Adults is year-round and tailored to each individual's needs. Please contact Fr. Rolo if you wish to explore full and active participation in the Catholic Church. We look forward to assisting you on your faith journey! Don't wait. We will get you started on your journey whenever you (and the Holy Spirit) are ready.

**JUSTICE CHALLENGE:** On January 22, 1973, the U.S. Supreme Court made abortion legal in our country. Since then millions and millions of unborn babies have been killed. The most basic of all human rights is life. The most basic of all Catholic social principles is the right to life and dignity for every human person. Your challenge this week is to do something to promote life and dignity for all. Advocate for unborn babies, fight against euthanasia or the death penalty, and speak out for the rights of those whose dignity has been stripped from them.

**COVID 19 DOES NOT STOP OUR FAITH!** Here is our faith in numbers from 2021. In 2021, we celebrated 16 Baptisms; 7 Marriages; 13 Confirmations; 11 First Holy Eucharist's and 2 receptions into Full Communion. We also lovingly remember the 10 individuals who were called to their heavenly home last year.

**AS WE PREPARE FOR SYNOD CONSULTATIONS** and in honor of the Feast of St. Frances De Sales, read Pope Francis' message for the 49<sup>th</sup> World Communications Day from January 2015. For a text of his speech go to:

An excerpt: "Even after we have come into the world, in some sense we are still in a "womb", which is the family. A womb made up of various interrelated persons: the family is "where we learn to live with others despite our differences" (Evangelii Gaudium, 66). Notwithstanding the differences of gender and age between them, family members accept one another because there is a bond between them. The wider the range of these relationships and the greater the differences of age, the richer will be our living environment. It is this bond which is at the root of language, which in turn strengthens the bond. We do not create our language; we can use it because we have received it. It is in the family that we learn to speak our "mother tongue", the language of those who have gone before us. (cf. 2 Macc 7:25,27). In the family we realize that others have preceded us, they made it possible for us to exist and in our turn to generate life and to do something good and beautiful. We can give because we have received. This virtuous circle is at the heart of the family's ability to communicate among its members and with others. More generally, it is the model for all communication."

How is communication happening in your home? Are requests and responses articulated with love and kindness? Do family members greet one another? What is your families' life giving expression of "doing something good and beautiful"?
