WHERE DID THEY COME FROM? Questions many have asked about the banners, vestments, altar cloths, baptism garments, quilts, and the other items that just seem to appear. We have a Sewing Ministry! A group of us ladies get together every Tuesday at St. John to serve the needs of the church and solve the problems of the world (kidding). On Pentecost Sunday there will be yet another something to enliven our Sunday liturgy. We thank the newest member of our ministry, Nina Baramki, for the many hours she spent stitching and painting the fabric to create an image that is unique and beautiful. Please take a moment to thank the ladies in this Ministry for their work, skills, and commitment. Thank you, Nina Baramki, Ana Maria de Faria, Marilyn Ryan, Ann Masse, Fran Neuwirth, Mimi Fosnocht, Leah Lucas, Terri Petrie, and Seta Unich. Come join us (and we welcome you)! Contact Judy Charles at (540) 817-0356.

COMFORTCARE WOMEN'S HEALTH continues to need baby wipes, baby lotion, baby wash, bathroom tissue, dish detergent, ginger ale, and decaf tea pods. You may place these items in the Baby Moses basket by the votive candles in the back of church. They are very thankful for all your donations.

COFFEE AND DONUT SPONSORS NEEDED. It's almost time for the annual summer COFFEE AND DONUTS; and Parish Council is inviting ministries to sponsor a Sunday Coffee and Donuts this summer beginning in June through August. This is a great way to spread the word about your ministry! A Parish Council member will help you on the Sunday that your ministry sponsors to assist with all of the preparations. Start thinking about what weekend/s you would like to sponsor, and stay tuned for further information about sign ups.

DEAR LADIES, Our family thanks each one of you, for all the loving care you showed us. The lunch you prepared was delicious! We sincerely thank you! In our hour of need, each of you stopped your lives to take care of us. You not only fed us, put us in a beautiful room with table cloths and flowers on each able, you showed us love thru Christ! Then you packed the food and sent it home for us. That evening we were able to have dinner at our finger tips! You were an answer to prayer! I know for myself each of you touched my heart. What an example of caring for people you didn't know. All of the dishes you made were amazing! It was so nice to be there with friends and family all in the same room. May you continue touching other families in their hour of need. You have a much needed ministry. Sincerely—*Connie Depa*

NURSES CORNER

May is National Physical Fitness and Sports Month.

Regular physical activity is good for everyone's health, and people of all ages and body types can be physically active. National Physical Fitness and Sports Month is a great time to spread the word about the benefits of getting active. Aim for 2 hours and 30 minutes of moderate activity each week. Here are just a few benefits of physical activity:

Children and adolescents – Physical activity can improve muscular fitness, bone health, and heart health.

- **Adults** – Physical activity can lower the risk of heart disease, type 2 diabetes, and some types of cancer.
- **Older adults** – Physical activity can lower the risk of falls and improve cognitive functioning (like learning and judgment skills).
- **What kinds of activity should I do?**
- To get all the health benefits of physical activity, do a combination of aerobic and muscle-strengthening activities.
- **Aerobic** ("air-OH-bik") activities make you breathe harder and cause your heart to beat faster. Walking fast is an example of aerobic activity.
- **Muscle-strengthening** activities make your muscles stronger. Muscle-strengthening activities include lifting weights, using resistance bands, and doing push-ups.

What kinds of activity should I do?

To get all the health benefits of physical activity, do a combination of aerobic and muscle-strengthening

Is physical activity for everyone?

Yes! Physical activity is good for people of all ages and body types. Even if you feel out of shape or you haven't been active in a long time, you can find activities that will work for you.
