PROTECTING GOD'S CHILDREN training program will take place on Saturday, September 29 in the O'Brien Family Room. This is the VIRTUS program for the protection of children and vulnerable adults from sexual abuse. "Protecting God's Children" is an introductory 3-hour awareness session for adults in the faith community who interact with minors. Participants are taught to identify situations that could leave a child or adult vulnerable, the methods employed by sexual offenders, and some critical steps to help prevent abuse. When we hear about the efforts the Church makes in preventing sexual abuse, we often hear about the importance of compliance with the USCCB Charter for the Protection of Children and Young People (Dallas Charter). From a faith environment perspective, the importance is not in our compliance, but in our calling. As Catholics we are called to respect the life and dignity of every human person from conception to natural death. The Charter guides us in action to our calling. Our calling furthers the Gospel message of Jesus Christ. This is one of the many ways that we can demonstrate care and protection for the least among us.

Last bulletin we shared how two principles of Catholic Social Teaching were experienced at our sister parish, St. Louis King of France, in Pointe-a-Raquette, Haiti. Another important general principle of our mission in Haiti is accountability, especially with the donations we receive from so many generous parishioners. To this end, all money received is recorded for either the Food Program or the St. Anthony Building program, depending on the designation of the donor. For the Food program, Fr. Augustin prepares a yearly budget and each month we send the monthly allotment that we have agreed on. He in turn reports back the following month with a breakdown of how the funds were spent, which we frequently share via this bulletin. For the building program, an initial budget prepared by the 'engineer' (who in Haiti functions as architect and contractor) is submitted. The construction project was split into phases and funds were sent as raised for each phase based on the request. Before the next phase funds are provided, there is a detailed report of what was actually spent. Further accountability is accomplished through our annual site visit as well as periodic phone conversations with Fr. Augustin and our on-site food program coordinator James Galbart.
