

TIM FRANCIS
PRESENTS

SIGNS FROM GOD

~ MIRACLES AND THEIR MEANING ~

*From altar boy to party boy; From non-denominational mega church back to the Roman Catholic Church. **Tim Francis shares with us his quest for truth.***

Some things you will HEAR and SEE at the presentation

- Several Eucharistic Miracles where the bread transformed into living heart tissue to show that Jesus Christ is ALIVE in the Holy Eucharist.
- A lady living today who receives the wounds of Christ while receiving messages from Jesus and Mary . You will witness her stigmata.
- Why do bad things happen to good people? Making sense out of suffering.
- The meaning, purpose, and POWER of the Holy Sacrifice of the MASS.

Tim has presented at hundreds of parishes and conferences with results similar to this:

A Mother gives her son \$100 to come to the presentation and look what happens:

"I wanted to thank you for changing my life. My mom went to day 1 of the 3-day mission... she got me to attend the second day... I was an occasional Mass attendee, mostly holidays. After your talk I made a good confession and now attend Mass DAILY...."

And this one, a 36-year-old fallen away son. His Mother has been praying years for his return to the Church. Here is what he said after:

"Seeing the miracles that no science can refute, and the people personally touched by Jesus and Mary forever changed the direction of my life and the makeup of my heart...I felt the power of Jesus and for me that could only have happened by seeing what Tim presented. Since that day in May I have not missed a Mass."

WELCOME TO THE JUIBLEE FAMILY SHRINE ON THE SHORES OF LAKE SLEEPY EYE!

A Marian Pilgrimage Place

Although God is everywhere, he often chooses certain places to show his presence and action in a special way, often through Mary and the saints. Such places are called places of grace, pilgrimage places. The Schoenstatt Shrine is such a Marian pilgrimage place right here in Sleepy Eye!

The Original Shrine in Schoenstatt, Germany

Unlike such famous Catholic Shrines as Fatima, Lourdes or Guadalupe, Schoenstatt did not begin with any apparition or other extraordinary happening. Through the guidance of Divine Providence, *Father Joseph Kentenich*, the founder of Schoenstatt, and *the young men* he was working with, invited the Blessed Mother to come down into what was then used as "tool shed" and form it into a Marian pilgrimage place. They entered into a *covenant of love* and on their part of the covenant they would bring her their sacrifices, their good works, their working on their self-education.

Now we know it worked! For over 108 years the Blessed Mother has shown her care and her love, working miracles of healings, of transformation, of growing in holiness, answering every need, guarding us from the evil forces.

A Network of Shrines All Over the World

The greatest gift of Divine Providence is that during the course of time a network of shrines, replicas of the Original Shrine, developed all over the world. We are blessed to have one of the more than 200 replicas in Sleepy Eye. Mary erected her throne in the midst of us and challenges us to follow the example of Father Kentenich and the young men bringing our offerings to her so that she can distribute many graces from here.

Come and You Will See! (John 1, 39)

The grand finale of this news is that to visit our Schoenstatt Shrine in Sleepy Eye, you do not need a passport nor an airplane ticket. Just drive out any time or stop by as you walk by on the bike path and bring her your needs, your concerns, your worries and fears, and let her show herself as your mother. From the Jubilee Family Shrine she is eager to be close to you and lead you deeper to the Triune God.
