HELP *Jesus* IN DISGUISE

When so many suffer the scourge of human trafficking, your contribution is saving lives.

In a small village in Bihar, in northeast India, lives a boy named Triveni, 11, and his sister Premshila, 13. Shortly after Triveni was born, he and his siblings were orphaned, and their older brother became their guardian. The children, needing money, withdrew from school to work. In India, the lack of education and job opportunities puts children at particular risk for human trafficking for labor or sexual exploitation.

Your support for The Catholic Relief Services Collection helped Triveni and Premshila avoid this fate and gave them hope for the future. Your generosity helped this brother and sister re-enroll in school. They now receive school uniforms and daily lunches.

Triveni has become a peer leader, warning other young people about the dangers of child migration and human trafficking. Children like Triveni and Premshila need you to continue this lifesaving work.

Support The Catholic Relief Services Collection today, and help Jesus in disguise.
