

Congratulations on your upcoming marriage! And welcome to God's Plan for Love, a program we hope will be an inspirational "engagement gift" to you both.

Great marriages do not happen by accident. They require the deliberate, daily commitment of both spouses who, by God's grace, are determined to nurture and safeguard their lives together.

The Goal of This Program:

This program is based on the conviction that in order for couples to know true joy in their married life, the following two things are necessary:

1. Encountering and understanding the true beauty of God's plan for married life and how it fits into His overall plan for human life.
2. With the help of God's grace, embracing that plan and taking it up as their own personal way of life.

This is the twofold goal of God's Plan for Love: to present a summary of Catholic teaching on God's amazing beautiful plan for married love and to offer practical suggestions for embracing it in your own lives.
