Knights of Columbus Council #3134

Sleepy Eye & Leavenworth

A Word from the Grand Knight

Brother Knights,

Spring is on its way and we are in the middle of the Lenten season. My message this month is a quote from Jeremiah 1:5, "Before I formed you in the womb I knew you." This Lent, God has given us an opportunity to support the voice of Pro-Life with the movie release of "Unplanned", which is based on the true story of Abby Johnson, a once director for a Planned Parenthood abortion clinic and now converted Pro-Life supporter. Release date was March 29th, and It is showing in select theatres across the country, including the theatres in Sherburn, Owatonna, and Hutchinson, MN. God works in ways we least expect! Ashley Bratcher, the actress that played Abby Johnson learned during filming that her mother walked out of the waiting room of an abortion clinic when her name was called and pregnant carrying her. Despite being censored by some media, it has shattered box office expectations and it's only playing on 1059 screens! Show your support and go see it or even call the New Ulm theatre to let our voice be heard to bring it here. Most importantly, please pray for all of the men, women, and children affected by abortion. God Bless.

Ryan Braulick
Grand Knight
