Brother Knights,

Brrr...that January wind sure can cut through a person. It makes me wonder why we live here sometimes?! I can tell you why I moved back to Sleepy Eye, it was because of the close-knit community, St. Mary's Catholic Parish and School. By the time you read this Catholic School's week will have come and gone, but what a treasure we have! An extended family of dedicated staff to help us primary educators (fathers, brothers, and uncles) instill the Catholic Faith in our children. The Sleepy Eye KC Council has supported St. Mary's Catholic School many different ways this past year and even I find myself taking for granted the school we have. So the next time you go to a game, school function, or just walking by St. Mary's, say a prayer and give a tip of the hat for everything St. Mary's has done and yet to do.

God bless,

Ryan Braulick

**A Message from our KC Insurance Agent: Insurance Check-Up for 2019**

Where did 2018 go? It seems like it was summer yesterday and Thanksgiving was last week. I hope you and your family had a great finish to 2018. I hope that you have established a few goals for this year. I have learned a great tip regarding resolutions. First, write them down. It is not too late if you have not already done this. Commit your goals to paper. Writing down a goal is the first step towards achieving it. Whether your goal is to exercise more, give more to charity, read more or watch less television, you are more likely to accomplish it if you write it down. Second, resolve to have an expert look at your finances. I recommend that you have a team of experts help you, and I would love to be the first you consult. Let us schedule some time to meet and I will provide a "check-up" (at no cost!) that will evaluate any gaps in your family's life insurance, long term care and disability protection or retirement outlook. Now is the perfect time to fill those gaps, rather than later. Keep in mind that unlike many other products, you do not just need money to obtain life insurance; you also need good health and no one knows when your health could change. Did I mention my check-up is free of charge? When was the last time you received something for free that could provide so much value to you and your family for generations to come? Contact me today.
