Brother Knights,

We will be having our 1st meeting since last March when we experienced the shutdown due to the COVID pandemic. The social room will provide for a safe environment where we can provide for the social distancing guidelines.

The agenda is limited due to the many cancelations of fund-raising events over the spring and summer. The Knights are a major supporter of our parish, School and community. Hopefully with many prayers we will get back to normalcy and be able to achieve our goals.

God Bless,
John Schwartz
Grand Knight, Sleepy Eye Knights of Columbus Council

Dear Knights of Columbus members,

Thanks to everyone for your warm welcome to Sleepy Eye. I am looking forward to being a part of the many good things that are going on here, as we transition back into "life" after this year's pandemic. St. Mary's has so many good things happening, and I am grateful for the contribution that the Knights make to parochial life.

Long-Term Care Plans Offer Peace of Mind

Since its addition to the Order's product portfolio in 2000, long-term care (LTC) insurance has provided the Knights of Columbus with an excellent opportunity to further serve members and their families. And, for our long-term care policy holders in the United States, there's an added bonus.

It's called "Provider Pathway," a program offering access to a network of long-term care providers at discounted rates. The network includes discounts on products, such as hearing aids, diabetic supplies, personal emergency response systems, and durable medical equipment, as well as skilled nursing facilities, assisted living, and adult day care.

Eligibility for participation in this program is open to Knights of Columbus long-term care insurance policyholders, their spouses, dependent children, parents and parents-in-law. All providers are fully credentialed and meet state licensing requirements.

If you haven't yet spoken with me about long-term care insurance, you owe it to yourself to do so. There are a few decisions to make in choosing a "plan" — a comprehensive plan that covers care whether you're at home or in a facility, or one that covers facility only; daily benefit amounts and benefit durations (how much and how long it will last); and the length of the elimination period (waiting period) before benefits kick-in.

Having a professionally trained agent — and a brother Knight you can trust — to help guide you through the process is yet another valuable benefit that comes with your membership. Take advantage of it; contact me today.
