Service Projects

Why Service Projects?

You might be wondering why must I do service projects to be confirmed? That is a great question. As you grow in your formation towards Confirmation you should have an open mind and heart and have a desire to grow closer to God. As you say yes to Confirmation you are called to be a disciple of Christ in your families, neighborhoods, society, and the world. Through Confirmation you receive the gift of the Holy Spirit to help you on your journey of life and faith. Jesus has a heart for the poor and the outcast, which even in his day caused controversy and ridicule but Jesus was firm on teaching that human respect and dignity is not just for who we choose it to be but for everyone. If we want to grow closer to God we need to imitate his love and affection for all, even when it's hard. When we give of ourselves, we become more like Christ and grow closer to him. By serving your parish, community and society you are practicing being the disciple you are called to be as a child of God.

Take a few minutes to reflect and think of your talents and how you can use them to serve others and the church. Make these service projects meaningful to you and in the end, they will bring you more joy than you anticipate.
