

Building Our Future! Update Corner

The month of **December** was the Information phase of the campaign. Information packets were shared with all parishioners and Father Tom spoke about the campaign and need for a new hall.

January is the Reflection phase of the campaign. The Reflection Phase asks YOU, the parishioners of St. Andrew, to reflect on God's goodness and consider giving back generously. We cannot all give the same amount, but each of us, and all of us, can have an important part.

February is the Commitment Phase of the campaign. This is the time when parishioners will make their pledge to the campaign.

Upcoming Dates:

**Tuesday, January 17 Commitment Gathering
Noon OR 6:00 p.m.**
