*Building our Future!*

*Dear Friend in Christ,*

We are nearing the Commitment Phase of our ***Building Our Future*** Capital Campaign. In this necessary campaign, we will strengthen our parish's community life and ministries for generations to come through the construction of a new parish hall.

We are excited about this campaign and pray for its success, but your help is needed to accomplish this goal! Please consider participating in the campaign for the future of our parish through your daily prayer, your words of support and a sacrificial pledge.

In this packet you will find:

- **Giving Plans** – An easy, one-page list of plans and ideas
- **Pledge Card and Envelope** – For your pledge, contact information and additional giving levels

Please pray over the information in this pledge packet! Bring your pledge card and envelope with you to Mass on one of the Commitment Weekends:

**January 29 or February 5**

At the homily, we will complete these cards together, as a parish family. A special collection will then take place of your pledges and we will ask God's special blessings upon us and our gifts to Him. If you will not be at Mass the next couple weeks, then please bring or send your gift to the parish office.

As followers of Jesus we have a most important mission to fulfill in our little corner of the world. We pray that we can be as generous as our parents and grandparents have been in times past and we hope that through the St. Andrew's ***Building Our Future*** Campaign we can strengthen our parish and our ministries for years to come!

Yours in Christ,

**Rev. Tom Biersack**

# GIVING PLANS

## *Building Our Future*

Our goal is to see every family participating and pledging in *Building Our Future*. It's only by working together that we will be successful. While no one can tell someone else what to give, a goal of \$950,000+ cannot be realized without **sacrificial giving**. Please:

- Pray about a plan that works for you or your family.
- Pray to go one plan higher: from the comfortable plan to the sacrificial plan. What would you be able to give up each month to do that?
- *We ask you to prayerfully consider* using one of the plans below.

*What can you give up each week or month to make a stretch gift to Building Our Future? The following cost approximately \$25 to \$30.*

1 large pizza  
 4 Happy Meals at McDonald's  
 4 six packs of beer  
 2 bottles of wine  
 1 manicure

3 packs of cigarettes  
 1 dozen roses  
 1 new shirt  
 2 dinners at local restaurant  
 Other ideas?
