

A blessed and happy Easter to everyone!

Over the past several months, St. Andrew's parishioners have shown their commitment to the future of the parish by making generous donations and pledges to the "Building Our Future" campaign. By sharing your gifts, you have made it possible for our parish to realize its vision of building a new hall that will serve us now and for future generations. **A heartfelt "Thank You" to all who have given to this project!**

Fr. Tom, Pastor
