## Summary Level Information

### Preliminary Survey Results

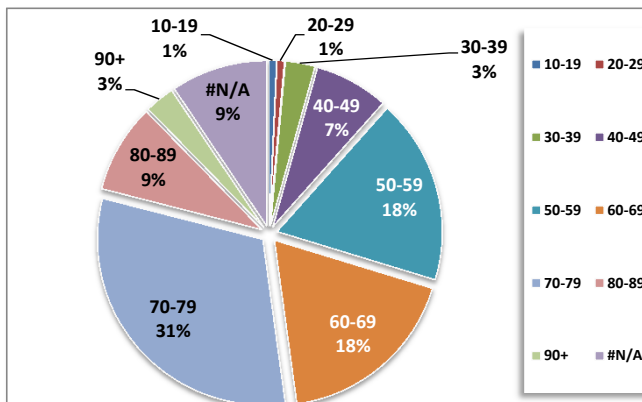

The Rebuilding St Michael's Committee is pleased to share this preliminary information with the parishioners of St Michaels. This preliminary information **only** considers the numeric responses to questions you answered. There are also dozens of comments that parishioners took time to compose and we'll be sifting through those in the coming weeks in an effort to more clearly understand the wants and needs of our faithful parish. MORE TO COME....

**Total # of Responses** 138

**Average Age of Respondent** 65.4
