HOW CAN PARENTS GET INVOLVED?

Panther Parents/Home and School Association (HSA)
Fellowship, volunteering and fundraising are core to this parent-led organization. The HSA is essentially our “PTO.” The mission is to enhance the learning environment for students, administration and faculty at St. Paul Catholic School by raising funds and building community to support the goals of the school. **ALL are welcome!** Meetings are held monthly. For more information, please reach out to Lu Wilson (tynluwilson@msn.com) or Lori Gevry (lori.gevry@gmail.com).

School Advisory Council (SAC)
This essentially our “school board.” SAC focuses on five main areas that enrich and support our school: Academics, Catholic Culture, Communications/Development, Finance/Grant Writing and Safety/Facilities. This council is supported and shaped by the church administration, members of the parish, school administration, school staff and parents. **ALL are welcome!** Meeting are held monthly. For more information, please reach out to Jim Welte (JWelte@stpaulcos.org).
