</table>

Welcome/Prayer – Father Billmeyer
- Father opened with a prayer.

Parish/Diocesan Update – Father Billmeyer & Kirk Munsch
- Things have slowed down a bit in the office, but everything is going well!
- 2021 Returning God’s Gifts starts in February. Our goal has gone down by $20,000.
- Jim thanked Father Chance & Kirk for all that they have done in Monsignor’s absence.

Panther Parents Update – Lori Gevry
- Donut Sale! 44 dozen donuts sold thus far. Orders will be taken through February 5th. They will arrive February 10th.
- 250 beanies are being made for Catholic Schools’ Week.
- About $5,000 in the operating account.
- Meeting on Thursday to work on some decorations for I Love You Week.
- Decorating the cafeteria and doing a little celebration of love throughout the school!
- Wednesday is the Red Robin fundraiser!
Principal’s Report – Jim Welte
- Looking for a Chair for the Advisory Council. We thank Marie Van Remortel for serving for the past several years!
- We have 15 new students that started this quarter! Enrollment sits at 173 right now. That is a wonderful boost to the school community! We hope to sustain that enrollment when the pandemic has slowed down!
- Enrollment packages for 2021-2022 school year will be going out next week!
- Catholic Schools’ Week is next week.

Contingency Plan Update - Sandy Rivera
- Survey went out today to see what the feeling is on Middle School athletics to see if there is support for sports teams. A lot of logistics to figure out prior to proceeding with a team: mixing cohorts, traveling to other schools, seating for families of players, cleaning the gym, etc.
- We are going to start with Middle School sports and go from there. Trying to work toward normalcy as fast as we can!
- .002% transmission rate at the schools as of the last time the numbers were figured. 0% current transmission rate at St. Paul!
- Talking about the distribution, participation, cleansing & storing of the playground equipment. Need to figure out how that would look for the Middle School, as their homeroom teachers aren’t with the students immediately prior to their outdoor time.

School Report – Jim Welte & Sandy Rivera
- Parent Teacher Conferences are coming up in a few weeks, starting February 11th. Parents of those students who are in greatest need of extra help or wanting to meet with teachers will hopefully do so on February 11th. Professional development will take place on February 12th & 13th.
- Our Preschool & Pre-K have grown, but we are not offering the full day opportunity, as we only have 1 teacher & 1 assistant. We are going to need to change how we offer up the opportunity for early childhood education. This is now a priority for us. Our numbers are much lower than those of the other schools in the Diocese.
- Likely will not allow for the kids who decide to not come in on snowy days to work remotely from home. This is for students K-4. Middle schoolers can log on, as they have all of their books and everything with them at home.

Catholic Schools’ Week – Bobbie Collins
- An eblast went out which gave the schedule for the week.
- Every day will have an eblast sent out to cover what will be happening the following day.
- Teacher/Staff appreciation luncheon will require all of our consideration of donations for the luncheon.
- Each student will be getting a little packet of information for the week.
- However, the events will not be time-consuming and will not take a great deal of time from the classroom.
- Tuesday at noon through Wednesday at noon, there will be a fundraiser for the school for playground & parking lot repair.

Committee Reports

- Academics – Gavin Stegmiller
  o Many of the kids that were remote last semester have returned
  o We are leaning toward 100% in-person learning in the fall!
  o IOWA assessments are coming up.
  o AIMSWEBS are going on right now.
- Finance/Grant Writing – Jim Sabish
  o The Donahue Grant application will be going in shortly after getting all of the necessary documentation from the school and the parish.
  o Looking into any other grants that might be available.
- Safety – Kirk Munsch
  o Sam has been working on making the playground safer.
  o Working on a bid for the playground.
  o Ushers are now involved in the safety communications.
  o Working on any necessary changes to the action plan for the Strategic Plan.
- Marketing – Carrie Kavney
  o Pat Mills suggested recirculating the survey from last year.

Strategic Plan – Jim Welte
- Making good progress on revising goals for the strategic plan.
- Looking at the major goals for all committees.
- Need to see if we need to change our mission.

Father closed with a prayer.

Meeting Adjourned at 7:15 pm.

Next Meeting Monday, February 22nd @ 6:00pm
