\* Do you yearn for (Christian-based) values to be instilled in your child not just at home, but at school?

We teach them; we live them; each and every day at Saint Paul Catholic School.

\* Do you want not just a school, but a nurturing, accepting educational community for your child?

\* Are you drawn to a passionate educational staff, who are dedicated to the well-being of the whole child?

\* Are you looking for a strong, fully-accredited academic environment which includes Faith, Wisdom and Values in addition to the standard Reading, Writing and Arithmetic?

\* Do you want outcomes of your child's education to be not just what they learn, but what they believe?

Then St. Paul Catholic School is the school for you.
