MISSION STATEMENT

The Snohomish District Council of the Society of St. Vincent de Paul seeks, in a spirit of justice and charity, and by person to person involvement of its members, to help those who are suffering. Members seek through prayer, meditation on the Scriptures, the teaching of the Roman Catholic Church, through their daily lives, and in their relationship with those in need, to bear witness for the love of Christ. The Society is concerned not only with relieving need but also with redressing the situations that cause it. It serves persons in need regardless of creed, opinion, race, or origin.

"Whatever you do for the least of my brothers and sisters, you do for me." (Matthew 25:40)

"Come to me, all you that are weary and find life burdensome, and I will refresh you." (Matthew 11:28)
