### Primary Parish Selection

We are delighted to welcome you into our faith family! The partnership between our churches allows us to combine resources, talents, and efforts to provide an array of opportunities for all members of our community. We invite you to choose one of the parishes as your home base, where your giving and support will be directed. This decision is deeply personal, and we encourage you to prayerfully consider where you feel called to contribute. For more information or assistance in making your decision, please reach out to our parish offices.
