

UPON ARRIVING

- Please use hand sanitizer as you enter the sanctuary.
- A face mask that covers your mouth & nose is **REQUIRED** to be worn during mass.
- Masks are available for those that do not have one. Please reuse the masks, if possible.
- Choose a seat that allows for a “healthy distance” between you & those around you. Families are exempt from the distancing requirement.

DURING MASS

- No missalettes will be used during mass.
- There will be no Sign of Peace.
- Weekend Offertory will not be collected. Please place your gift in the basket in the back of church or in the drop box outside the parish offices.
- During communion, please maintain proper distancing from the person in front of you. An “X” will be placed on the floor where you are to receive communion on your ungloved hand.
- To receive communion, please cup your hands & the minister will then gently drop the host into your cupped hands. Step, at least, 6 feet away from the minister, lift your mask, consume the host, and then replace your mask.

DEPARTING MASS

- Place the kneeler down before leaving your pew. This will assist our volunteers who are sanitizing between masses.
- Please depart Mass in an orderly fashion starting from the rear of the church, while maintaining a “healthy distance” from others.
- We recommend using hand sanitizer again as you leave church.
- Bulletins can be picked up in the back of church.
- For everyone’s safety, Father John will not be available to greet or shake hands as you leave.
