

Word of God,
stir in our hearts.
Open our ears to your voice.
Move us to respond to your call.

As parents, teachers,
adult members of the Church,
we are called to help our youth
recognize and respond
to God's voice,
perhaps as priest, sister,
brother, or lay minister.

As youth and young adults,
your Word calls us gifted.
You call us to lead and
serve your people.

Word of God,
stir our hearts
that we may
recognize your voice,
responding with generosity,
joy and a deep desire
to follow wherever your voice
may lead us,
especially as priest, sister,
brother, or lay minister.

Word of God, hear our prayer.
Amen.
