

Dear Preschool Family,

Saint Joseph Catholic Church established its weekday morning preschool program in the fall of 2008. The goal was to provide this parish with a place where its youngest members could grow in Christ's love. Each year my dedicated staff and I look forward to renewing that commitment. We strive to create strong relationships among the children, the families, our church and the community.

Our preschool staff participates in *VIRTUS Protecting God's Children* through the Archdiocese of Atlanta's Office of Child and Youth Protection. We maintain certification in CPR and First Aid, and obtain 10 hours of required continuing education classes through the Archdiocese of Atlanta Summer Institute, the Georgia Preschool Conference, and other educational opportunities each school year.

Saint Joseph Preschool offers classes for two year olds, three year olds and four year olds. Through a theme-based approach, all age groups will be introduced to a variety of activities that provide well-rounded, developmentally appropriate, experiences that focus on the growth of the whole child.
