Friendship Project

The Friendship Project is a new moms group here at St. Ann's parish open to ALL mothers seeking fellowship and friendship.

With life's distractions and our children needing our undivided attention, it is important to remember to cultivate fabulous, faith-filled friendships with others who are currently in the same walk of faith. We will use the book The Friendship Project as a starting point to get to know each other, and women whose friendships helped them become saints.

Join us for our first gathering will be on Tuesday, February 5th at 11 a.m. in the Shireman Room. Children welcome.

We will be having one meeting a month during the day and one in the evenings for any working Moms.

First evening gathering will be Tuesday, February 19th from 7 - 8 p.m.

If Jesus didn't sin, why did he need to be baptized?

From the earliest days of St. John the Baptist, baptism has been a sign of repentance and forgiveness of sins. Now Jesus has instituted it as a sacrament, with real power to cleanse us from original sin and adopt us as children of God. But if Jesus wasn't affected by original sin, nor did he willingly choose sin, why would he need to be baptized?

The Catechism lists four primary reasons for the Incarnation. One is that "the Word became flesh to be our model of holiness" (CCC 459). St. John Paul II wrote that "all of Christ's life was a continual teaching." In other words, many of Jesus' actions were not only for the action itself, but to model certain things for us. In becoming man, Jesus is not so loft that he expects things of us he isn't willing to do himself. We see this most poignantly in his passion and death. In his baptism, Jesus identifies with sinners and gives us a model of what we ought to do - repent, be cleansed, and receive the grace of God!
